Membership Application

This is a membership application for Greenwood Civic Club, Inc., a non-profit public benefit corporation. The Club's mission is to promote, publish and preserve the history of the town of Elk, California and to support Elk community activities. Elk, California, formerly named Greenwood, is a small coastal community that benefits from the charitable work of the Volunteer Fire Department, Community Center, churches and other organizations. The Greenwood Civic Club is one such group, creating community benefits not specific to the other organizations and acting to bridge the town's needs between them.

The Greenwood Civic Club is organized and operated exclusively for charitable purposes within the meaning of federal and state taxation codes. We do not attempt to influence legislation, participate or intervene in political campaigns, or endorse any candidate for public office.

All property of the Greenwood Civic Club is dedicated to charitable purposes and no part of our income or assets shall ever benefit any private person. All member work services are voluntary and no compensation is paid to our members, officers or directors for work performed. All members vote at the annual membership meeting during which directors are nominated and elected. Directors vote on typical operational issues and appoint officers and committee members.

Anyone who is interested in pursuing our mission and is committed to enhancing the town of Elk and providing benefit to its residents is qualified and welcome to become a member of our club. The dues requirement is \$30 per calendar year. If you would like to join us, please complete and mail this application.
